

Fertility Examination Form
(To be completed by Veterinarian.)

Name of Owner _____.

Name of Animal _____.

Left Testicle Size _____

Right Testicle Size _____.

Height- _____

Height- _____.

Width- _____

Width- _____.

Circumference- _____

Circumference- _____.

Verterinarian's interpretation of the semen evaluation:

Any concerns or exceptions:

I have examined the Genitalia of the above animal. I have palpated the testicles and find that they are within the normal parameters and fully descended into the scrotum. I consider this Stallion sound and able to be used for breeding.
